BILL NO. R-76-08- 08

RESOLUTION NO. R-

A RESOLUTION honoring Matt Vogel  
on his accomplishments as a Gold  
Medal Winner in the 21st Olympic  
Games.

Matt Vogel of Fort Wayne has won the 100-meter butterfly for a gold medal and participated in the winning of a gold medal in the 400-meter medley relay in a world record time of 3 minutes 42.22 seconds in the 21st Olympic Games. By so doing he not only does honor to himself, but brings honor to the City of Fort Wayne, Indiana;

In characteristic modesty in addressing the crowd gathered to honor him in Fort Wayne, he said "This is the greatest city in the United States";

Matt Vogel was a standout swimmer in Northeastern Indiana before attending the University of Tennessee and is a 1975 graduate of Snider Highschool of Fort Wayne;

A young man who brings such honor to his parents, his family, his school, his city and his nation deserves all of the plaudits which the City of Fort Wayne can give.

BE IT THEREFORE RESOLVED That this Congratulatory Resolution be delivered to Matt Vogel by his Classmate, Michael Brink, and that a copy of this Resolution be spread upon the records of the Common Council of the City of Fort Wayne.

I received Mayor Armstrong's Veto Message regarding  
Special Ordinance No. S 76-07-41 this 2nd day of

### VETO MESSAGE

I, Robert E. Armstrong, Mayor of the City of Fort Wayne, hereby veto Special Ordinance No. S 76-07-41 (as amended).

I am vetoing this ordinance to again draw Council's attention to the need for protecting the health and welfare of the people of the City of Fort Wayne.

The Director of Public Safety is a vital person in the proper administration of public safety programs. With more than one-third of all city employees comprising the seven departments under the direction of this administrator, it is in callous disregard of the health and safety of our people to eliminate this position. While I am quite certain that past decisions of Council indicate that the Council undoubtedly will have sufficient votes politically to override this veto, I implore the individual members of Council to put the safety of the people above politics and join with me in the desire to offer our citizens the best administered emergency departments possible. There are a number of considerations which I believe should be weighed by Council:

First, good management principles dictate that seven departments, often performing similar functions and composed of a third of the city work force, should be coordinated on a day-to-day basis by a single administrator who can ensure not only maximum efficiency from the individual departments, but also prevent inefficiency through the provision of overlapping services.

Second, the burden of the daily programs administered by the Mayor dictates that assistance be given in handling the administrative chores in coordinating these seven agencies. The Director of Public Safety, given the authority to act as the Mayor's representative in dealing with these daily problems, provides this essential function.

Third -- and most importantly -- Fort Wayne's crime rate continues to be exceptionally high, despite the fact that we have been successful in slowing the rate of increase in violent crimes. I am hopeful the Council will join me in the massive program of crime control by continuing to provide the administrative services of a Director of Public Safety. The Director is able to assist with the administrative chores of the Police Department, thereby leaving

the department free for the battle against crime. In addition, we are working diligently to upgrade Fort Wayne's fire prevention, fire control, and emergency medical assistance programs, and the Director of Public Safety has been charged with the personal duty of effecting these improvements.

Whether we be Mayor or Council, Republican or Democrat, conservative or liberal, the welfare of the people of this community must be our chief concern.

At my inauguration, I took an oath to uphold the laws of the City of Fort Wayne, and I intend to do everything in my power to live rigidly by that oath. I consider the Director of Public Safety as essential to my fulfilling that commitment to the people. The members of the Common Council took a similar oath, and I urge you now to think again about your commitment to the people of this community and reconsider your action by helping this Administration protect the health and safety of our people by sustaining this veto and retaining the position of Director of Public Safety.

Signed this 2nd day of September, 1976.

Robert E. Armstrong  
Mayor
